

CompboostWrapper::getPrediction

```
graph LR; A[CompboostWrapper::getPrediction] --> B[cboost::Compboost::getPrediction]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'CompboostWrapper::getPrediction'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'cboost::Compboost::getPrediction' on two lines.

cboost::Compboost::
getPrediction
