

blearnerfactory::Baselearner
CustomFactory::createBaselearner

```
graph LR; A["blearnerfactory::Baselearner  
CustomFactory::createBaselearner"] --> B["blearner::Baselearner  
::setBaselearnerType"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box has a light gray background and a black border, containing the text 'blearnerfactory::Baselearner' and 'CustomFactory::createBaselearner'. The right box has a white background and a black border, containing the text 'blearner::Baselearner' and '::setBaselearnerType'. A dark blue arrow points from the right side of the left box to the left side of the right box.
