

blearner::PolynomialBlearner
::predict

```
graph LR; A[blearner::PolynomialBlearner::predict] --> B[data::Data::getData]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'blearner::PolynomialBlearner' on the top line and '::predict' on the bottom line. The right box is white with a black border and contains the text 'data::Data::getData'. A blue arrow points from the right side of the left box to the left side of the right box.

data::Data::getData
