

QuadraticLossWrapper
::testGradient

```
graph LR; RCPP_MODULE[RCPP_MODULE] --> QuadraticLossWrapper[QuadraticLossWrapper::testGradient];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'QuadraticLossWrapper' on the top line and '::testGradient' on the bottom line. The box on the right is white and contains the text 'RCPP_MODULE'. A dark blue arrow points from the right side of the 'RCPP_MODULE' box to the right side of the 'QuadraticLossWrapper' box, indicating a dependency or relationship between the two.

RCPP_MODULE
